Dear Parent/Carer,

The School council has decided that each class is going to create their own Christmas Shoebox. We would love **each** class to create **2** shoeboxes, one for a boy and one for a girl.

- **Class 3** class will create Christmas Shoeboxes for a boy and girl aged **2-4 years** old.
- **Class 2** class will create Christmas Shoeboxes for a boy and girl aged **5-9 years** old.
- **Class 1** class will create Christmas Shoeboxes for a boy and girl aged **10-14 years** old.

It would be greatly appreciated if your child could bring in 1 (or more!) age appropriate gifts suitable for a girl, and 1 (or more!) age appropriate gifts suitable for a boy by **Friday 17th November**.

Please feel free to create your own Christmas shoebox if you would like!

Many thanks,

The School Council
