CLASS 1 DANCE PRESENTATION. TUESDAY 6TH FEBRUARY 2018. 3P.M.

31st January 2018

Dear Parents/Guardians.

As part of the National Curriculum for P.E. we are required to teach Dance as a unit of work. The children work extremely hard to build a routine as a class. As part of our unit of work we like them to be confident to show their accomplishments to an audience.

I would like to invite you to be that audience so that you can see the hard work that the children have put into this last half term.

Whilst we do not need any costumes it would help the spectacle of their dance if each child could come bring a coloured T shirt to wear. I do not want you to buy anything special so please just what you already have at home.

Many Thanks.

Nic Osborne P.E. Co-ordinator.
