Tuesday 22nd January 2019

Dear Parents and Carers,

St Joseph's School in Launceston are running a fun and exciting afternoon of Science for children in Key Stage 1 from the local area on Tuesday 29th January 2019.

The children have lunch at school on Tuesday, so if your child usually has a school dinner then please order them one as normal. They will be collected at 12:45pm by a St Joseph's School minibus and will return to school by 3:30pm. They will be accompanied by staff from Otterham Primary School at all times, along with the teaching staff from St Josephs who will be leading the afternoon. There will be no cost for this trip.

Please sign the permission form below and return to Miss Parker by Friday 25th January 2019.

Many thanks,

Miss Parker

I give permission for _____ to travel on the St Joesph's School minibus and attend the Science afternoon on Tuesday 29th January 2019.
