

Class 1 - Summer 2019

A Race Around The UK

Literacy

Grammar, punctuation and spelling (GPS):

For the weeks leading up to the Y6 SATs, there will be a greater focus on revising GPS skills.

Non-fiction: The class will create professional-looking informative leaflet about a region of the UK, focusing on famous landmarks (travel brochure) found there.

Fiction/ Drama: Miss Forbes will be producing our Summer play, entitled (more details to follow).

Poetry: We will enjoy reading and reciting some favourite poems, focusing on performance techniques, e.g. clarity, using intonation and varied pace.

Geography

This term will involve a lot of map work, focusing on counties in the UK, cities, rivers and famous landmarks. We will also look at changes that have occurred over a period of time.

Mathematics

Y6 SATs revision.

Fractions, decimals and percentages – Identify fractions to decimal and percentage equivalents.

Multiplication and division – Revise facts to 12x12 and revisit informal and formal written methods for multiplying and dividing larger numbers.

Measurement – Calculate the perimeter and area of shapes and convert measures, e.g. mm to cm. Calculate and compare the volume of cubes and cuboids.

Time – Read, write and convert time between analogue and digital 12- and 24-hour clocks. Solve time problems.

Position and direction – Describe positions on a co-ordinates grid and plot specified points; identify, describe and represent the position of a shape following a reflection or translation.

Science

- We will be celebrating Science week from May 20th – 24th. This will be based around a whole school trip to the beach, e.g. living things and their habitats, materials and environmental impact.

- States of matter, which will include changing states by heating and cooling, plus the water cycle (condensation and evaporation) .

PE – every Tuesday and Thursday

- Cricket/ rounders – as well as playing games, we will also be focusing on improving our technique.

- Athletics, in preparation for sports day later this term.

French

This term's topics include: my daily routine, telling the time, ordering food & drink. As well as acquiring new vocabulary, the children will be encouraged to build upon known words and phrases it to produce longer, more complex sentences, both orally and in writing.

USEFUL WEBSITES

<http://www.bbc.co.uk/schools> Age appropriate, subject specific activities, games, worksheets and experiments. It also has revision activities.

www.bbc.co.uk/bitesize/ks2 Lots of links for KS2 Maths, English and Science.

<http://resources.woodlands.kent.sch.uk> Has links to the majority of subjects.

www.mathszone.co.uk Contains numerous fun Maths games and activities.

<http://www.crickweb.co.uk> Fun and useful interactive activities for most subjects as well as games for the children.

PSHE

- 'Changes and new beginnings'. This unit will include moving onto secondary school, personal hygiene and growing up.

Art and DT

We will be baking Cornish scones and imitating the art work of David Hockney.
