- The Reading Test consists of a single test paper with three unrelated reading
- Children are given 60 minutes in total, which includes reading the texts and answering the questions.
- A total of 50 marks are available.
- Questions are designed to assess the comprehension and understanding of a child's reading.
- Some questions are multiple choice or selected response, others require short answers and some require an extended response or explanation

chapter

# Spelling, Punctuation and Grammar

click to see all text

- A Spelling test is administered containing 20 words, lasting approximately 15 minutes.
- A separate test is given on Punctuation, Vocabulary and Grammar
- This test lasts for 45 minutes and requires short answer questions, including

some multiple choice.

 Marks for these two tests are added together to give a total for Spelling, **Punctuation and Grammar**

- The Mathematics tests have undergone the biggest change this year.
- Children will sit three tests: Paper 1, Paper 2 and Paper 3.
- Paper 1 is for 'Arithmetic' lasting for 30 minutes, covering calculation methods for

all operations, including use of fractions, percentages and decimals

- Questions gradually increase in difficulty. Not all children will be expected to access some of the more difficult questions later in the paper
- Papers 2 and 3 cover 'Problem Solving and Reasoning', each lasting for 40
- Pupils will still require calculation skills but will need to answer questions in context and decide what is required to find a solution.

Large pizzas cost £8.50 each.

Small pizzas cost £6.75 each.

Five children together buy one large pizza and three small pizzas.

They share the cost equally.

How much does each child pay?

page

- First and foremost, support and reassure your child that there is nothing to worry about and they should always just try their best. Praise and encourage!
- Ensure your child has the best possible attendance at school.
- Support your child with any homework tasks.
- are reading (the character, the plot, their opinion) Talk to your child about what they have learnt at school and what book(s) they

• Reading, spelling and arithmetic (e.g. times tables) are always good to practise

Make sure your child has a good sleep and healthy breakfast every morning!

chapter

- Listening to your child read can take many forms.
- First and foremost, focus developing an enjoyment and love of reading.
- Enjoy stories together reading stories to your child at KS1 and KS2 is equally as important as listening to your child read.
- Read a little at a time but often, rather than rarely but for long periods of time!
- Talk about the story before, during and afterwards discuss the plot, the happen and encourage your child to have their own opinions characters, their feelings and actions, how it makes you feel, predict what will
- Look up definitions of words together you could use a dictionary, the internet or an app on a phone or tablet
- All reading is valuable it doesn't have to be just stories. Reading can involve programmes, TV guides. anything from fiction and non-fiction, poetry, newspapers, magazines, football
- Visit the local library it's free!

# How to Help Your Child with Writing

click to see all text

- Practise and learn weekly spelling lists make it fun!
- Encourage opportunities for writing such as letters to family or friends, shopping lists, notes or reminders, stories or poems
- Write together be a good role model for writing.
- Encourage use of a dictionary to check spelling and a thesaurus to find synonyms and expand vocabulary
- Allow your child to use a computer for word processing, which will allow for editing and correcting of errors without lots of crossing out.
- Remember that good readers become good writers! Identify good writing teatures when reading (e.g. vocabulary, sentence structure, punctuation).
- Show your appreciation: praise and encourage, even for small successes!

## How to Help Your Child with Maths

- Play times tables games
- Play mental maths games including counting in different amounts, forwards and backwards
- Encourage opportunities for telling the time
- Encourage opportunities for counting coins and money; finding amounts or calculating change when shopping
- Look for numbers on street signs, car registrations and anywhere else!
- Look for examples of 2D and 3D shapes around the home
- Identify, weigh or measure quantities and amounts in the kitchen or in recipes
- Play games involving numbers or logic, such as dominoes, card games, darts, draughts or chess
