text

- In 2014/15 a new national curriculum framework was introduced by the government for Years 1, 3, 4 and 5
- However, Years 2 and 6 (due to statutory testing) continued to study the previous curriculum for one further year.
- In 2015/16 children in all years at Key Stage 1 and 2 are expected to now study the new national curriculum.
- KS1 (Year 2) and KS2 SATs (Year 6) will reflect the new curriculum for the first time this year.
- If your child is in Year 6 this year, they will be the first pupils to receive the new tests and the first to receive the new style of reporting results.

- 'Old' national curriculum levels (e.g. Level 3, 4, 5) have now been abolished, as set out in the government guidelines.
- From 2016, test scores will be reported as 'scaled scores'.
- This means it is very difficult to compare the assessment of a previous year with the current year.
- Your child will still be taught with the highest expectations and cover all required elements of the curriculum, similar to previous years.
- The new curriculum is more rigorous and sets high expectations which all schools have had to work hard to meet since the beginning of last year.

Scaled Scores

text

- What is meant by 'scaled scores'?
- It is planned that 100 will always represent the 'national standard'.
- Each pupil's raw test score will therefore be converted into a score on the scale, either at, above or below 100.
- The scale will have a lower end point somewhere below 100 and an upper end point above 100.
- A child who achieves the 'national standard' (a score of 100) will be judged to have demonstrated sufficient knowledge in the areas assessed by the tests.
- In July 2016 for the first publication of test results, each pupil will receive:
 - A raw score (number of raw marks awarded).
 - A scaled score in each tested subject.
 - Confirmation of whether or not they attained the national standard.

text

On publication of the test results in July 2016:

- A child awarded a scaled score of 100 is judged to have met the 'national standard' in the area judged by the test.
- A child awarded a scaled score of more than 100 is judged to have exceeded the national standard and demonstrated a higher than expected knowledge of the curriculum for their age.
- A child awarded a scaled score of less than 100 is judged to have not yet met the national standard and performed below expectation for their age.

Higher Attaining Pupils

click to
see all
text

- Previous Key Stage 2 tests were aimed at children achieving Levels 3-5 (with a national expectation to reach at least Level 4)
- In the past, additional Level 6 tests were produced for children who demonstrated higher than expected attainment, above Level 5.
- From this year, there won't be any separate tests for the most able children.
- Instead, each test will have scope for higher attaining pupils to show their strengths.

The Tests

click to
see all
text

- Key Stage 2 SATs take place nationally in the week commencing 9th May 2016.
- Statutory tests will be administered in the following subjects:
 - Reading (60 minutes)
 - Spelling (approximately 15 minutes)
 - Punctuation, Vocabulary and Grammar (45 minutes)
 - Mathematics
 - Paper 1: Arithmetic (30 minutes)
 - Paper 2: Reasoning (40 minutes)
 - Paper 3: Reasoning (40 minutes)
- In addition, some schools will be required to take part in Science testing, consisting of three tests in Biology, Physics and Chemistry. Not all schools will take part in this sampling, which takes place on a later date.
- All tests are externally marked.
- Writing will be 'Teacher Assessed' internally, as in recent years.
